Gave a Polar Bear a Tattoo

With this gift WWF researchers can tattoo an ID number onto the inside lips of an unmarked polar bear and record critical information that will help us to understand how we can help them to survive the many various threats they face today.

Dr. Marco Lambertini
Director General, WWF-International

WWF works to address global threats and protect endangered species and habitats in more than 100 countries around the world. WWF finds long term solutions to benefit people and nature.
